### Chapter 13 Plan

#### Part 1: Notices

**To Debtor(s):** This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances. Plans that do not comply with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, this Court's local rules, and judicial rulings may not be confirmable.

*In the following notice to creditors, you must check each box that applies*

**To Creditors:** Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one. Failure to object may constitute an implied acceptance of and consent to the relief requested in this document.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file a timely objection to confirmation. **To determine the deadline to object to this plan, you must consult the Notice of Bankruptcy Case or applicable Notice/Motion served with this plan.** The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, pursuant to Federal Rule of Bankruptcy Procedure 3002, you must file a timely proof of claim in order to be paid under any plan. Confirmation of this plan does not bar a party in interest from objecting to a claim.

The following matters may be of particular importance. **Debtors must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not Included" or if both boxes are checked, the provision will be ineffective if set out later in the plan.**

The debtor and trustee may stipulate to a higher payment in order to provide adequate funding of the plan without the necessity of a modification to the plan. The stipulation is effective upon filing with the Court.

**Part 3: Treatment of Secured Claims**

To receive a distribution from the trustee, a proof of claim, including adequate supporting documentation and filed in compliance with Official Rules and Forms, must be filed with the Court. For purposes of plan distribution, a claim shall be treated as provided for in a confirmed plan. However, if a claim is treated as secured in a confirmed plan and the affected creditor elects to file an unsecured claim, such claim, unless timely amended, shall be treated as unsecured for purposes of plan distribution. Any creditor holding a claim secured by property that is removed from the protection of the automatic stay by order, surrender, or through operation of the plan will receive no further distribution from the chapter 13 trustee on account of any secured claim. This provision also applies to creditors who may claim an interest in, or lien on, property that is removed from the protection of the automatic stay by another lienholder or released to another lienholder, unless the Court orders otherwise, but does not apply if the sole reason for its application arises under 11 U.S.C. § 362(c)(3) or (c)(4). Any funds that would have otherwise been paid to a creditor, but pursuant to these provisions will not be paid, will be distributed according to the remaining terms of the plan. Any creditor affected by these provisions and who has filed a timely proof of claim may file an itemized proof of claim for any unsecured deficiency within a reasonable time after the removal of the property from the protection of the automatic stay. Secured creditors that will be paid directly by the debtor may continue sending standard payment and escrow notices, payment coupons, or inquiries about insurance, and such action will not be considered a violation of the automatic stay.

**3.1 Maintenance of payments and cure or waiver of default, if any.**

*Check all that apply. Only relevant sections need to be reproduced.*

**None.** If "None" is checked, the rest of § 3.1 need not be completed or reproduced.  
 **3.1(b)** The debtor is in default and will maintain the current contractual installment payments on the secured claims listed below, with any changes required by the applicable contract and noticed in conformity with any applicable rules. The arrearage payments will be disbursed by the trustee, with interest, if any, at the rate stated. The trustee shall pay the arrearage as stated in the creditor's allowed claim or as otherwise ordered by the Court.  
 **3.1(c)** The debtor elects to make post-petition mortgage payments to the trustee for payment through the Chapter 13 Plan in accordance with the Operating Order of the Judge assigned to this case and as provided in Section 8.1. In the event of a conflict between this document and the Operating Order, the terms of the Operating Order control.

*The remainder of this paragraph will be effective only if the applicable box in Part 1 of this plan is checked.*

The debtor requests that the Court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the debtor states that the value of the secured claim should be as set out in the column headed *Estimated amount of secured claim*. For secured claims of governmental units, unless otherwise ordered by the Court after motion or claims objection filed after the governmental unit files its proof of claim or after the time for filing one has expired, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5.1 of this plan. If the estimated amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5.1 of this plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

Unless 11 U.S.C. § 1325(a)(5)(A) or (C) applies, holders of secured claims shall retain liens to the extent provided by section 1325(a)(5)(B)(i). Unless there is a non-filing co-debtor who continues to owe an obligation secured by the lien, any secured creditor paid the allowed secured claim provided for by this plan shall release its liens at the earliest of the time required by applicable state law, order of this Court, or thirty (30) days from the entry of the discharge.

The claims listed below are being paid in full without valuation or lien avoidance.

These claims will be paid in full under the plan with interest at the rate stated below. These payments will be disbursed either by the trustee or directly by the debtor, as specified below. Unless there is a non-filing co-debtor who continues to owe an obligation secured by the lien, any secured creditor paid the allowed secured claim provided for by this plan shall satisfy its liens at the earliest of the time required by applicable state law, order of this Court, or upon completion of the payment of its allowed secured claim in this case.

The judicial liens or nonpossessory, nonpurchase money security interests securing the claims listed below impair exemptions to which the debtor would have been entitled under 11 U.S.C. § 522(b). Unless otherwise ordered by the Court, a judicial lien or security interest securing a claim listed below will be avoided to the extent that it impairs such exemptions upon entry of the order confirming the plan. The amount of the judicial lien or security interest that is avoided will be treated as an unsecured claim in Part 5.1 to the extent allowed. The amount, if any, of the judicial lien or security interest that is not avoided will be paid in full as a secured claim under the plan. See 11 U.S.C. § 522(f) and Bankruptcy Rule 4003(d). *If more than one lien is to be avoided, provide the information separately for each lien.*

### Part 4: Treatment of Fees and Priority Claims

#### 4.1 General

The debtor shall pay all post-petition priority obligations, including but not limited to taxes and post-petition domestic support, and pay regular payments on assumed executory contracts or leases, directly to the holder of the claim as the obligations come due, unless otherwise ordered by the Court. Trustee's fees and all allowed priority claims, including domestic support obligations other than those treated in § 4.5, will be paid in full without postpetition interest.

#### 4.2 Trustee's fees

Trustee's fees are governed by statute and may change during the course of the case.

#### 4.3 Attorney's fees.

- a. The debtor and the debtor's attorney have agreed to an attorney's fee for the services identified in the Rule 2016(b) disclosure statement filed in this case. Fees entitled to be paid through the plan and any supplemental fees as approved by the Court shall be disbursed by the trustee as follows: Following confirmation of the plan and unless the Court orders otherwise, the trustee shall disburse a dollar amount consistent with the Judge's guidelines to the attorney from the initial disbursement. Thereafter, the balance of the attorney's compensation as allowed by the Court shall be paid, to the extent then due, with all funds remaining each month after payment of trustee fees, allowed secured claims and pre-petition arrearages on domestic support obligations. In instances where an attorney assumes representation in a pending pro se case and a plan is confirmed, a separate order may be entered by the Court, without further notice, which allows for the payment of a portion of the attorney's fees in advance of payments to creditors.
- b. If, as an alternative to the above treatment, the debtor's attorney has received a retainer and cost advance and agreed to file fee applications for compensation and expenses in this case pursuant to 11 U.S.C. § 330, the retainer and cost advance shall be held in trust until fees and expense reimbursements are approved by the Court. Prior to the filing of this case, the attorney has received \$\_\_\_\_ and for plan confirmation purposes only, the fees and expenses of counsel are estimated at \$\_\_\_\_ or less.

#### 4.4 Priority claims other than attorney's fees and those treated in § 4.5.

The trustee shall pay all allowed pre-petition 11 U.S.C. § 507 priority claims, other than domestic support obligations treated below, on a *pro rata* basis. If funds are available, the trustee is authorized to pay any allowed priority claim without further amendment of the plan.

*Check box below if there is a Domestic Support Obligation.*

**Domestic Support Claims.** 11 U.S.C. § 507(a)(1):

- a. Pre-petition arrearages. The trustee shall pay the pre-petition domestic support obligation arrearage to (state name of DSO recipient), at the rate of \$\_\_\_\_ or more per month until the balance, without interest, is paid in full. *Add additional creditors as needed.*

The chapter 13 trustee shall have no responsibility regarding the use or maintenance of property of the estate. The debtor is responsible for protecting the estate from any liability resulting from operation of a business by the debtor. Nothing in the plan is intended to waive or affect adversely any rights of the debtor, the trustee, or party with respect to any causes of action owned by the debtor.
